

ECOWATER
S Y S T E M S®

Your Water. Perfected.

eVOLUTION Boost

The eVOLUTION Boost water softeners are ideal for larger homes and busy families. Their high capacity provides greater efficiency. Designed to suit modern plumbing systems, they can handle high flow rates when water is at peak demand.

Smart software for low running costs and large salt storage for less refills.

Available in two models 300 and 400.

Recommended for up to 8 people.

With Wi-Fi performance management.

Smart Reliable Efficient
